3 WAYS TO OUTLAST

Skies of blue. Boarded on the train headed home with 3 glasses of wine in my system. Observing is done with ease. Approx. 7:30 pm on August 20th, 2015. The Sunset on the train is immaculate.

Soul Open for a more one of a kind life

Summer full of don't have a spare deodorant its summer
Its a shame I don't have a spare deodorant its summer
has long worn off but thats ok because its summer
I am more than pleased with the life I am
living. This summer has brought me smiles, tears,
good times & good company. Quite nothing like
I've ever lived before. Working in the city is
what one truly makes of it must peopl send their free
time on their telephone but I prefer observation & writing
